

# Rockin' R Winery – Order Form

All wines listed are hand-crafted, carefully aged library wines, 100% Paso Robles AVA and 100% vintage year as designated on their 750 ml bottles. All have been aged at least 10 years (2 years or more in oak barrels then bottle aged thereafter), sealed at the time of bottling with specialty Italian synthetic closures designed with unique internal air-exchange valves to allow these wines to age perfectly (just as if natural cork was used, but with none of the many problems associated with cork). Most are award-winners from such prestigious events as the Orange County Wine Society competitions. R-winemaker savors these wines on a regular basis to attest to their continuing quality, pairing with a rich array of foods while enjoying the namesake music which inspired his label poetry. All library wines are offered at \$58 per bottle. Quantities are limited. R-Fan Club members who have accepted the most recent club shipment (each April and October) may purchase full or mix-n-match cases at a 50% discount at any time during the subsequent interval. Email [dean@rockinRwinery.com](mailto:dean@rockinRwinery.com) to learn how you can become a Rock-R and enjoy these ultra-premium wines at this substantial discount.
